

Wings On My Heels - Raymond Froggatt

Intro:- 1,2 1,2,3,4 - [G] [G]

[G] The Older I grow, the more I know, [Am] broken hearts don't mend
But I [D] hope you find the joy in your lives, you're [G] lookin' for my friend
When you are cut and you bleed, find your need, on [Am] me you can depend
Just you [D] pick up your shoes and bring me your blues
and I'll be [G] waiting a-round the bend.

It was nice to have known you . . [Am] anyway . . . you know that [D] all dreams like
mine die in the [G] same old way . . And every time you go, you take my [Am] breath
away . . . It was so [D] nice to have known you all [G] anyway.

And I'll fly, any-where you [Am] are, . . . you know, [D] any distance any [G] star
. . . You are all part of everything I [Am] feel, . . . you know, [D /] I got wings
and they're on my [G] heels.

[G] And when it's goodbye my loves, I wish you good luck,
and don't you [Am] worry about the rain,
When [D] our time is up . . . oh my loves, you won't [G] owe me anything.
It was just nice to have known you . . [Am] anyway,
. . . You know that [D] all dreams like mine die in the [G] same old way
